## For Hotel Guests

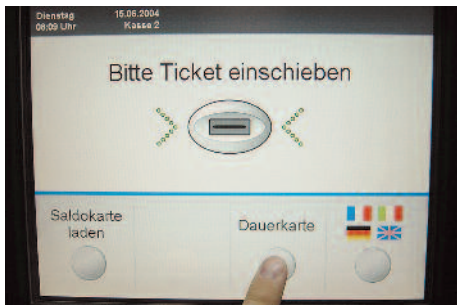

When you travel by car to Lucerne as a **hotel guest** you can purchase an advantageous hotel card. As long as your hotel card is valid you can have unlimited parking in the Kesselturm multi-storey car park.

What is important is that when you enter the car park you do not press the button for a new ticket, you insert the long-term parking card you have purchased!

You no longer have to waste time looking for change and queuing at the payment machines.

Enjoy your holiday in Lucerne!

## Your entry ticket becomes your hotel card

1. Go to the payment machine with your entry ticket.
2. Press **«season ticket»** on the touch-screen.
3. Insert your ticket.
4. Use the arrows to select the number of days you want and press **«select»**.
5. Press **«confirm»** on the touch-screen.
6. You can pay with your debit card, your credit card or by bank note.

Your hotel card is now valid.

If you want to enter and leave the car park frequently during your stay, you simply have to insert **the same ticket** when entering and leaving the car park and the barrier will open.

## This is how you use your hotel card

## Please note!

### Exit

Insert the practical hotel card in the ticket reader. The barrier will open and you will receive your parking ticket back.

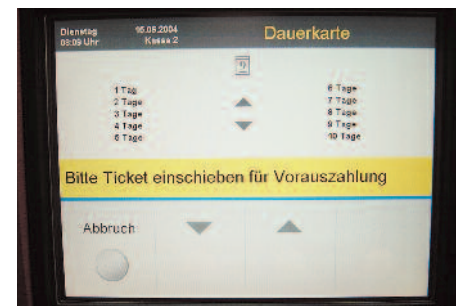

### Entry

Insert the same hotel card in the ticket reader. The barrier will open and you will receive your parking ticket back.

If you forget one of the processes (entry and exit) the parking ticket will be unusable!

The parking ticket must always be used from the car. Please take good care of your long-term parking ticket.
